# General Information for Employers and Employees

1. Employees are not immigrants to Bermuda, i.e. not a permanent resident of Bermuda and in the event of the termination of services for any reason, the worker must obtain permission to legally remain in Bermuda.
2. The grant of a work permit in no way implies any right to further work permits or to any other rights not specifically stated.
3. Applications to continue employment or to reside beyond the expiry date given will be considered on the merits of the application at that time.
4. Any Standard, Global or New Business Work Permit holder may seek alternative employment without obtaining permission of the Minister. Although there is no limitation on the number of job changes that a work permit holder may have, a work permit holder is not normally permitted to change employers during the first two years of employment with an initial employer. Work permit holders who have been employed in Bermuda for more than two years and who possess a valid work permit, may seek alternative employment but must not accept or engage in alternative employment in Bermuda without the permission of the Department of Immigration. [Exceptions may be made in circumstances where the applicant has been made redundant; where the applicant has lodged a complaint against their employer with the Department of Workforce Development (and it has been determined that the applicant has a bona fide grievance with the employer); upon making written request to the Minister to waive the two year requirement. This is subject to the Employment Act 2000 and employment contracts governing probationary periods.]
5. First time work permit holders who have been employed in Bermuda for less than two years and who wish to change employers must obtain permission from the Minister to continue to reside and seek alternative employment. First time work permit holders must not accept or engage in alternative employment until such permission has been granted.
6. Employees who do not possess a valid work permit, as a result of the expiration of a previous work permit and where a complete application has not been submitted, the employee must stop working unless specifically authorised by the Minister.
7. On termination of employment for whatever reason, the employer is required to advise the Department of Immigration of what arrangements the employee has made to leave, or remain in, Bermuda.
8. Employers and employees have certain obligations with respect to regulations governing the payment of Social Insurance contributions, employment tax and medical Insurance – non-compliance may affect the issuance of work permits. Note: Accounts over 90 days may require proof of a payment plan prior to the issuance of work permits.
9. Where applicable, an applicant must at all times, be mindful of and adhere to the conditions placed on his/her work permit. He/she must also take note of the 'General Information' listed on the back page of his/her work permit document. Also, where it is the responsibility of the employee to repatriate his/her dependants, he/she must honour this commitment and take immediate steps to ensure that when he/she departs Bermuda, his/her dependants will depart too.
10. The guarantee of repatriation by the employer is enshrined in law under the Bermuda Immigration and Protection Amendment (No. 2) Act 2013.
11. Where an agency submits applications on behalf of an employer or an employee, the accuracy of the form is the responsibility of the employer and the employee.
12. Penalties may be levied for breaches of the Work Permit Policies as per the Bermuda Immigration and Protection Amendment (No. 2) Act 2013.
13. For a complete review of Work Permit Policies, Work Permit Violations, Visa Policies and Work Permit Application Forms, go to: <http://www.immigration.gov.bm> (Ministry of Home Affairs)

## A. DISCLOSURE

I understand that under the provisions of the Bermuda Immigration and Protection Act 1956, it is a criminal offence to make any statement which is false in a material particular and which I know to be false or I believe not to be true.

I understand that breach of the Bermuda Immigration and Protection Act 1956 may cause my work permit and permission to reside in Bermuda to be revoked. I understand that I and my dependants are not regarded as immigrants and that there is no guarantee of further employment or right of continued residence in Bermuda upon the termination or loss of employment at any time.

I certify that the statements made in this form, that apply to me, are correct. ## B. DECLARATION

The following declaration needs to be read, understood and signed by all work permit applicants arriving in Bermuda on or after 1 August 1989. If you do not understand anything in the declaration, please ask for clarification before signing.

*I am now informed and understand:*

- when I am no longer eligible for a work permit I will not qualify to remain longer in Bermuda on the basis of my past residence as a work permit holder, *regardless of the length of that residence*;
- that the same applies to my dependants, wherever born, who do not have 'Bermudian status' or permanent residence (i.e., a Permanent Resident's Certificate);
- that as a work permit holder I am subject to restriction on the period for which I may remain in Bermuda and therefore there is no basis in law for me to be naturalised as a British overseas territories citizen;
- that a work permit is issued or renewed only when the employer can show, each time an application is made, that there is no local person<sup>1</sup> who is qualified, or who may be trained, to take the position in question;
- that Bermuda's laws aim to preserve Bermuda's land and other resources for those with Bermudian status or permanent residence and therefore must limit the number of persons obtaining such status or residence; and
- that children born in Bermuda to non-British parents whose immigration permission is subject to time restrictions are not BOTCs<sup>2</sup> by birth.
